Day 1

We begin the day with a city tour of Melbourne, then head to the beautiful coastline passing through Geelong, Victoria's 2nd largest city. We travel along the cliff tops of the spectacular Great Ocean Road via Lorne and travel alongside cool mountain streams to Skenes Creek Lodge to enjoy the beautiful sunset colours over the ocean.

Overnight: Coastal Motel, APOLLO BAY (DBB)

Day 2

We depart Skenes Creek Lodge after breakfast and travel along alongside streams with tall Mountain Ash and Beech Forest and lush Rainforest of the Ottway Ranges. After our lunch stop we travel to Port Campbell National Park where time and the powerful Southern Ocean have created spectacular rock formations. We then wind along through Warnambool to Tower Hill National Park, from where we get one of the best close encounters with koalas and other native wildlife in Australia. After leaving this unique area we head north to Dunkeld, then into the hidden corners of the Grampians to arrive for our overnight stop at Halls Gap.

Overnight: Colonial Motor Inn, Halls Gap (DBB)

Day 3

This morning we follow the ranges of the Grampians National Park and leave the state of Victoria via the lovely small town of Cavendish and then travel to Mt Gambier and its beautiful crater lakes. The most unusual of these lakes, the Blue Lake, changes colour twice a year. Leaving Mt Gambier we track through farmland and dense pine forests to the Limestone Coast fishing harbours of Beachport and Robe for our overnight stop.

Overnight: Guichen Bay Motel, Beachport (DBB)

Day 4

We travel along the coastline to Kingston a famous lobster fishing town and fishing port and from here we travel to the Coorong National Park a unique coastal wetland and lagoon which our 4WD vehicles allow us to explore much more. After a coffee break in the park we continue to enjoy the birdlife and coastal serenity of this National Park. We view Lake Alexandrina at the mouth of Australia's longest river system, the Murray River, arriving at Wellington for a lunch break. During the afternoon we travel through the Adelaide Hills visiting some wineries and scenic lookout before arriving in Adelaide approximately at 5pm to conclude our memorable journey.
